See also: [Map LC \(LCC\) to Dewey \(DDC\) Classification](#)

The following table maps Dewey Decimal Classifications to Library of Congress Class headings. Please note that mappings to LCC classes D, J and K are still in process. LCC Class R has been replaced, in QuestionPoint, by National Library of Medicine (NLM) Classes QS-QZ and W. Most NLM Classes map to 362.1-362.3 and 610-618.97
